FOR IMMEDIATE RELEASE

Aspire Technologies, Inc. Announces QuoteWerks Compatibility with GoldMine 9.0

ORLANDO, FL (PRWEB) August 31, 2010 — Aspire Technologies, Inc., a leading provider of sales quoting and proposal software solutions for the global small and mid-markets, announced compatibility for GoldMine 9.0 starting in QuoteWerks Version 4.5 Build 7.

Headquartered in Pleasanton, CA the creators of GoldMine, FrontRange Solutions, offers a variety of products that are used by over 150,000 organizations worldwide. QuoteWerks has been integrating with GoldMine since 1994 when it started utilizing the DDE API in GoldMine to pull in customer contact information into QuoteWerks from GoldMine.

As QuoteWerks became more popular among GoldMine users, additional integration features were added based on requests from customers. The integration's progression enabled users to utilize more of the features available in GoldMine in conjunction with the quoting efficiencies of QuoteWerks. QuoteWerks was one of the first quoting and proposal application that enabled users to automatically create and update sales opportunities, schedule follow up calls, log sent emails in the history of GoldMine and [more](#), without having to switch applications and remember to manually create these logs. Thus, a more accurate and efficient sales process for users of both software products was created.

"GoldMine was the first contact manager QuoteWerks integrated into using the API. Maintaining compatibility with the latest GoldMine release is very important for QuoteWerks users. A significant portion of QuoteWerks users continue to utilize the link between QuoteWerks and GoldMine and we remain committed to providing our users sustained compatibility into GoldMine so they may continue to benefit from the efficiencies that the integration offers", says President of Aspire Technologies, Inc. John Lewé IV.

In addition to supporting GoldMine 9.0 QuoteWerks remains backwards compatible with earlier versions of GoldMine including Premium Edition 8.5 and 8.0 and [other versions of GoldMine](#).

QuoteWerks Version 4.5 Build 7 is available for download from the QuoteWerks Update Page: <http://www.quotewerks.com/updates/UpdateAgent.asp>.
