Aspire Technologies, Inc. announces compatibility for the new Sage ACT! 2011 Contact and Customer Management Solution and QuoteWerks

September 1, 2010 – Orlando, FL Aspire Technologies, Inc. today announced the compatibility of QuoteWerks for the new Sage ACT! 2011 contact and customer manager from Sage North America. QuoteWerks has been integrated with every release of Sage ACT! since version 4.0. In addition to integrating with the newest Sage ACT! versions, QuoteWerks remains backwards compatible with the previous versions of Sage ACT! for users who have not yet upgraded to the latest version and is the only Sage ACT! Gold Development Partner in the Quoting and Proposal space.

The extension of the partnership between QuoteWerks and Sage ACT! ensures that users will continue to benefit from the competitive advantages that the programs offer their customers. While creating fast and accurate sales quotes and proposals is QuoteWerks specialty, leveraged with Sage ACT!, users can easily track their entire sales process from introduction to quote to payment.

By utilizing the integration points between QuoteWerks and Sage ACT!, organizations of any size are able to benefit from the unique advantages the link offers such as the ability to:

- Populate the QuoteWerks document automatically with customer contact information
- Search Sage ACT! for additional contacts to add to the quote
- Create Notes/History attachment in Sage ACT!
- Create/Update Sage ACT! Sales Opportunities
- Writes line item details into Sage ACT! Opportunities
- Schedule follow-up calls
- And [much more!](#)

“Sage ACT! remains a favorite contact manager for numerous QuoteWerks customers. The integration between the programs has grown exponentially over the past few years and we continue to research ways to innovate and improve the features contained in the link. Our goal is to provide our users with the most reliable, stable and complete integration into Sage ACT! in the proposal and quoting space and we believe that we have delivered”, says President of Aspire Technologies, Inc. John Lewe IV.

The integration into Sage ACT! 2011 is included with all editions of QuoteWerks (Standard, Professional, and Corporate) in QuoteWerks Version 4.5 Build 10. It can be downloaded from the QuoteWerks Update Agent Page: <http://www.quotewerks.com/updates/UpdateAgent.asp>.
